ADDITIONAL INFO

ACCOMMODATIONS

We can accommodate groups of up to 600 people. Private events must consist of a minimum of 30 people. We must receive a precise headcount at least 7 days prior to the event. The headcount cannot decrease after that. An exact count will be taken at the event, and additional guests will be added to the invoice.

PRESENTATION CAPABILITIES

Make use of our 150" projection screen, wireless mic, and podium to present slide shows, PowerPoint presentations, videos, etc. We strongly encourage an equipment compatibility check 7 days prior to the event. Staging and specialized tables are also available.

ROOMS

Private room fees are often waived with the purchase of a combined food and bar package. If applicable, private room fees are based on the month, day, time, the room reserved, and the number of guests. A 50% deposit is required with all party contracts. The balance is due on the day of the event.

GLUTEN FREE SUBSTITUTIONS

We are happy to offer gluten-free, vegan, or vegetarian options free of charge.
